No points will be awarded for any match played less than $\frac{1}{2}$ of its scheduled time. The tournament Director reserves the right to make whatever adjustments may be necessary in terms of game length or number of games to proceed with the schedule (following delays due to inclement weather). Teams will be considered with equal numbers of games played. For example, if one team has completed more games than the others in a division have, the previous game's points will be eliminated from the standings, as determined by tournament committee. Should the tournament be interrupted due to inclement weather, and cannot resume, the team with the most accumulated tournament points will be the winner and the team with the second highest accumulated points will be the second-place team. In the event of a tie see Standings item #2.

AYSO SECTION 13 AREA D

TOURNAMENT RULES (addendum) for 2026 tournaments

Our goal is to have kids play in an environment that is safe, fair, fun and family friendly as well as offering the opportunity for the kids to play at a more challenging level.

If Fall players play only in the Fall at Richland or any other AYSO program AND play at least 50% of the games in the membership year in which they are registered players, they are eligible to play on a tournament team.

Players should play 1st on the team for the region in which they are playing in the Spring. So, if a player plays in the Fall in Richland but the Spring in Greater Johnstown they should play on the Greater Johnstown team, unless there is a specific request by the parent of the player. This cannot be a coach request.

No more than 4 FALL ONLY players can play on a 14U team.

No more than 3 FALL ONLY players can play on a 10U, 12U or 16/19 U team.

Players must play in the division that they played during the core season. If someone played during the core season they must play up in the tournament.

Players under the 10U age bracket are NOT eligible to play in tournament even if they played up during the core season. All players must have been born BEFORE December 31, 2017.

All players must be registered in the system by May 1, 2026, to be eligible to play in the tournaments. Once determined eligible by the Area Director, unless a situation occurs in which the player is ineligible to play AYSO or a birth certificate/age issue is challenged, the rosters are determined to be valid and indisputable. Player eligibility will be determined as of May 15th. (50% of games, registered player, etc.) If a player must be added or deleted from a roster after that date, AD must be notified to verify eligibility.

VOLUNTEERS:

All volunteers, especially coaches and referees, MUST be currently registered volunteers and have their Sterling background check, safe haven, concussion and Safe Sport completed. Background checks must be in date and GREEN (Youth referees will show as BLUE). These are requirements and not optional. Head coaches must have appropriate training. I know that most of the volunteers have already done this. Rosters cannot be official without these being completed. Regional Commissioner must sign rosters and agree these credentials are met. AD will also verify.

REFEREES:

If you don't bring a referee, you pay \$100 PER TEAM.

Referees must be registered and trained.

UNIFORMS:

AYSO has specific guidelines for uniforms. Variance requests are available. The specs are listed here. T-shirts are allowed as are jerseys but with these guidelines <https://aysovolunteers.org/uniform-specs-variance-requests/>

There are some regions that are no longer AYSO regions that cannot wear AYSO uniforms and are not covered by AYSO insurance. If you are allowing non-AYSO teams to play, there are additional steps that need to be completed to get the tournament approved as those players are not covered under AYSO rules.

PLAYERS' NAMES CANNOT BE ON JERSEYS

OFFSIDE:

There WILL BE offside called in the 16/19U

INCIDENTS:

Any incidents that occur during tournaments must be reported to the Tournament Director, The Regional Commissioner and The Area Director.

Incident reports must be completed as directed https://wiki.ayso.org/wiki/Fill_Out_an_Incident_Report

Any issues NOT addressed in this document and that are challenged will be determined by the additional area rules that were set previously. This set of rules supersedes the previously set rules if there is a conflict between these and the previously set rules.
